De Strijd tussen Vasten en Vastenavond - Pieter Brueghel de Oude (1559)

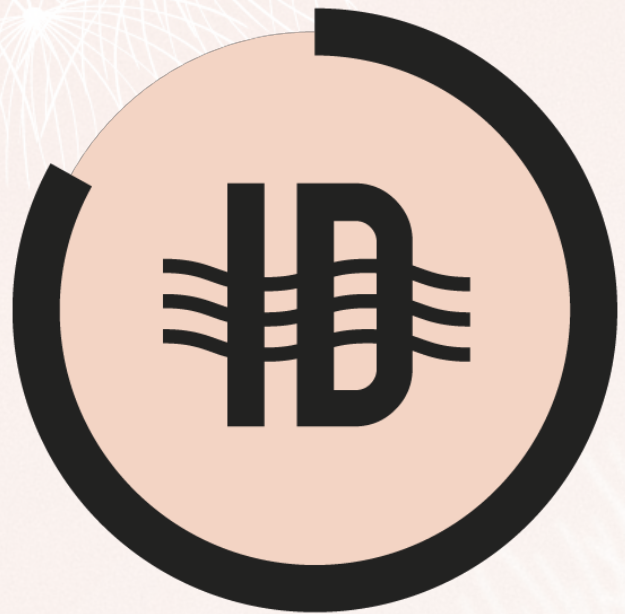

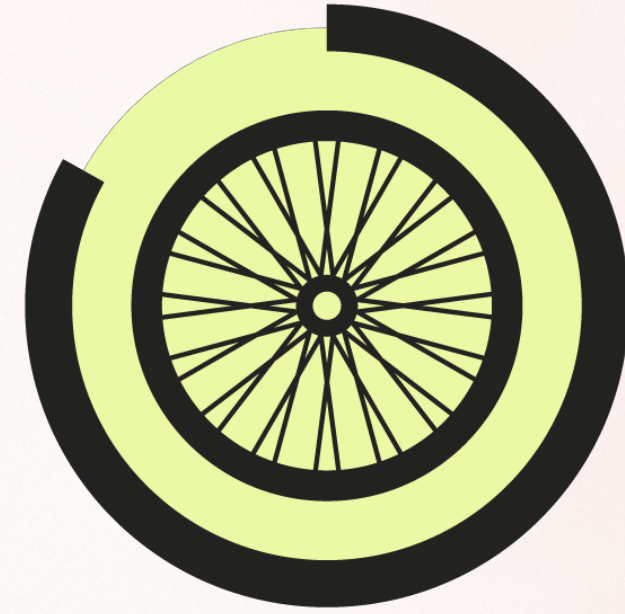

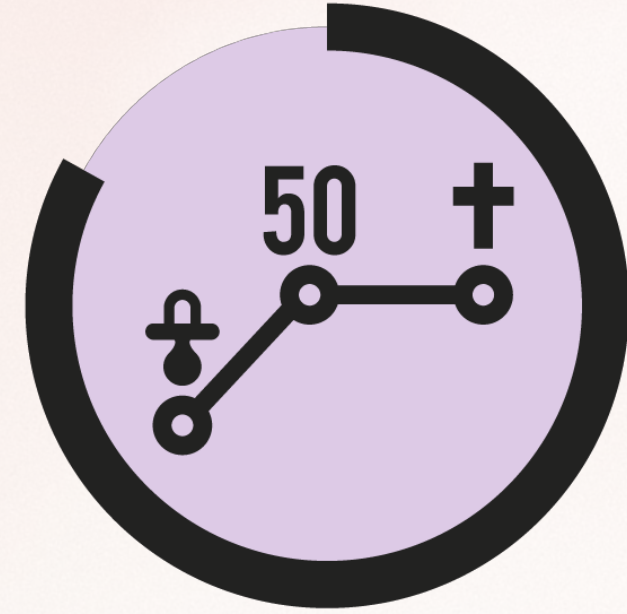

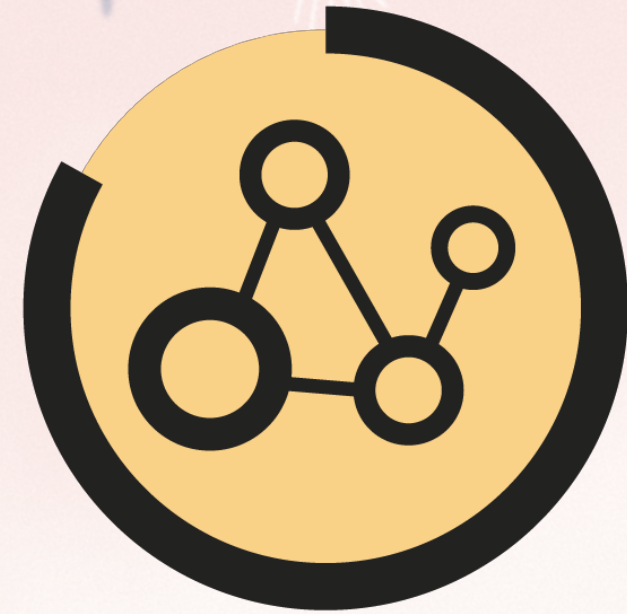

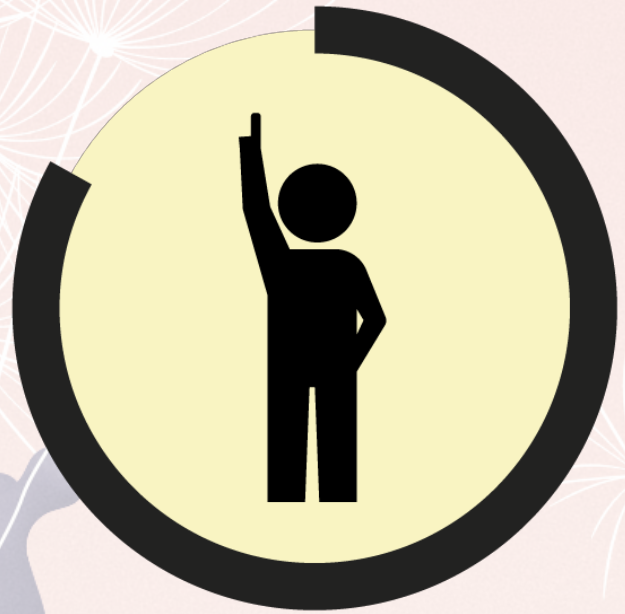

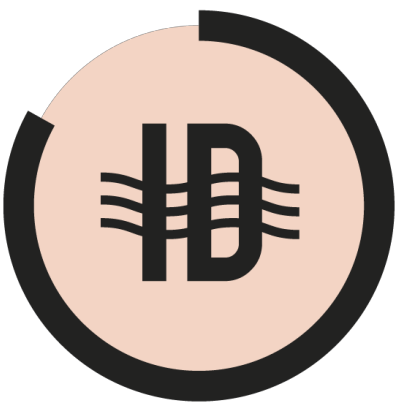

wat gebeurt er na
wat er gebeurde?

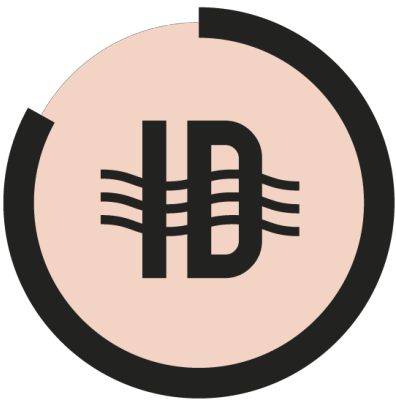

A dandelion seed head is shown on the left side of the image, with its stem extending downwards. Several dandelion seeds are captured in mid-air, blowing away from the seed head towards the right. The background is a soft, light-colored gradient, suggesting a bright, airy atmosphere. The text "Crises versnellen beschavingsprocessen." is overlaid on the image, centered horizontally and partially overlapping the dandelion seed head.

Crises versnellen beschavingsprocessen.

Managers moeten dus
'resonantie-architecten' worden.

Met steeds meer diversiteit in bedrijven en organisaties, groeit de behoefte aan 'wij', 'delen' en 'coöperatie' als antistoffen tegen waarden als 'ik', 'bezitten' en 'competitie', waaraan vorige generaties zich gerieflijk hebben gelaafd.
